

## Time, Trouble and Space Saver for Autoists

Now you don't need an assortment of special wrenches for different parts of your car. Just put a set of "Polly" Wrenches in your tool kit. Instant adjustment. Light but so strong you can strip the thread or shear the bolt without spreading jaws or damaging wrench. 6 in. 85c; 9 in. \$1.25; 12 in. \$1.75 or complete set in handy kit \$2.85. From your dealer or direct.

GELMAN MFG. CO., Dept. 18, Rock Island, Ill.
